

Change Your Clock Change Your Battery®

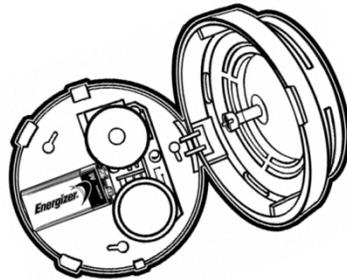

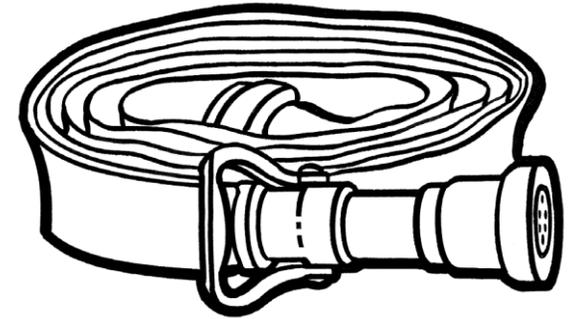

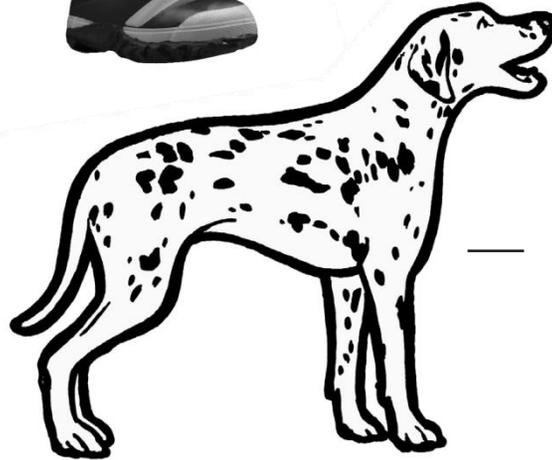

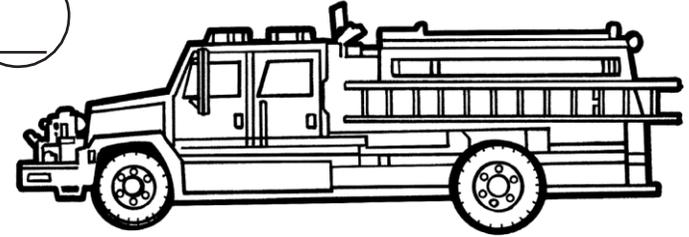

Energizer
that's positivenergy,...

Kids, your friends at *Energizer* and the International Association of Fire Chiefs want to remind you and your parents to change your smoke alarm and carbon monoxide detector batteries when you change your clocks on **November 1!**

Have fun
learning about

Fire Safety

with your friends at Energizer
and the International
Association of Fire Chiefs

Look at the words listed below and then fill in the blanks next to each picture. Once you've filled in all the blanks, see if you can unscramble the circled letters to complete the important fire safety message that has helped save lives for the past twenty-seven years. Good luck!

- Fire Truck
- Dalmatian
- Fire Hose
- Bunny
- Smoke Alarm
